

Nuance Communications, Inc.

END USER LICENSE AGREEMENT

This License Agreement ("Agreement") is between you ("Licensee" or "you") and Nuance Communications, Inc. and/or one or more of its affiliates (collectively, "Nuance"). By opening the sealed Software Package and/or by installing or otherwise using the software accompanying this Agreement ("Software"), you agree to be bound by the terms and conditions of this Agreement. The term "Software" shall also include any modified versions, updates, or upgrades of the Software licensed to you by Nuance. You may install and use a modified version, update, or upgrade of the Software only if you have a validly licensed existing version of the Software being modified, updated, or upgraded. If you download, install, copy, or otherwise use a modified version, update, or upgrade of the Software, then your license terminates as to the previous version of the Software, and you have a license only to such modified version, update, or upgrade of the Software under the terms of this Agreement. If you do not agree to the terms and conditions of this Agreement, you may not install or use the Software and must promptly return the Software and all accompanying materials to Nuance Communications, Inc., 1 Wayside Road, Burlington, MA 01803.

As used in this Agreement, "Software Package" means the Software and the accompanying documentation and microphone (if applicable). As used in this Agreement, "User Profile" refers to the record of speaker-specific data that provides a consistent dictation experience across successive dictation sessions.

1(a). Grant of License (Except for Educational Institutions). Nuance grants a non-exclusive license, without the right to sublicense or otherwise transfer, to Licensee (and Licensee's employees who agree to be bound by the terms and conditions of this License, provided Licensee has entered into a Nuance volume license agreement), to install and use the Software contained on the provided installation media on a computer running a validly-licensed operating system and to use, in connection with such Software, the rest of the Software Package. An individual Licensee is permitted to create and use multiple User Profiles under this License. User Profiles can be stored on one machine or on a server to allow the speaker to move from machine to machine and still maintain a consistent dictation experience across machines. A separate license, however, must be purchased for each additional speaker whose User Profile or User Profiles is or are being used by the Software. Licensee may authorize a third party to use the Software in connection with any of Licensee's User Profiles solely for the purpose of performing editing or correcting functions for Licensee; however, such third party must purchase a separate License to create his or her own User Profile. This license for the Software Package does not allow Licensee to use the Software as a run-time engine.

1(b). Grant of License (Educational Institutions Only). Nuance grants a non-exclusive license, without the right to sublicense or otherwise transfer, to Licensee to install and use one copy of the Software contained on the provided installation media on a single computer running a validly-licensed operating system and to use, in connection with such Software, the rest of the Software Package. Licensee is permitted to create and use multiple User Profiles under

this License. A single license for the Software Package does not allow Licensee to use the Software Package on a server. This license for the Software Package does not allow Licensee to use the Software as a run-time engine.

2. Nuance's Rights

Licensee acknowledges that the Software Package consists of proprietary information and products of Nuance (or other third parties) protected under United States or other patent, copyright, or trade secret laws. Licensee further acknowledges and agrees that all right, title and interest in and to the Software Package, and each component thereof, are and shall remain with Nuance. This Agreement does not convey to Licensee an interest in or to the Software Package but only a limited right to use, revocable in accordance with the terms of this Agreement.

3. Term

This License is effective upon Licensee's first installation and/or use of the Software and shall continue until terminated. Licensee may terminate this Agreement at any time by returning the Software Package to Nuance. Nuance may terminate this Agreement upon breach by Licensee of any terms hereof. Upon such termination by Nuance, Licensee agrees to uninstall the Software and promptly return the Software Package to Nuance.

4. Other Restrictions

This document is Licensee's proof of a non-exclusive license to exercise the rights granted herein and must be retained by Licensee. Licensee may not rent, lease, or otherwise commercialize the Software Package in any manner. Licensee may not reverse engineer, decompile, modify, create derivative works (except for User Profiles or custom vocabularies as set forth in the accompanying documentation) of, or disassemble the Software, except to the extent that the foregoing restriction is expressly prohibited by applicable law. Licensee may not modify, make additions to or otherwise adapt the Software Package for the purpose of enabling or adding features or functionality from another version or edition of the Software. Licensee may not use the Software in conjunction with other software or data packages for the purpose of enabling or adding features or functionality from another version or edition of the Software. Licensee may only use the Software in accordance with and in the manner intended by its accompanying documentation. The following additional restriction applies to "Essentials," "Standard," and "Preferred" editions of the Software: Licensee may not knowingly use, or encourage or cause others to use, the Software in conjunction with any third party application that was developed using the Dragon NaturallySpeaking SDK or any of the features, functionality or documentation provided with the Dragon NaturallySpeaking SDK. Licensee may not publish the results of benchmarking the Software against competitive software. Licensee may not transfer or assign this license or the Software Package to any third party without the prior express written consent of Nuance. Any changes to, modifications to, or derivative works (except as set forth above) of the Software shall become the exclusive property of Nuance.

5. Activation

Nuance has designed the Software to prevent unlicensed use of the Software. Licensee agrees that Nuance may do so. In particular, use of the Software requires that Licensee activate the Software as

described during the installation of the Software. During such activation, Nuance may collect certain non-personal technical information from Licensee's computer concerning Licensee's computer or network. Licensee agrees that Nuance may do so. Licensee may be required to reactivate the Software if Licensee modifies its computer hardware, the Software, or the operating system.

6. Notifications

The Software contains a component that will automatically activate Licensee's Internet browser and attempt to initiate a connection through the Internet to a website maintained by Nuance. This connection will be made using the Internet connections and telephone lines under Licensee's control. From time to time, Licensee may receive notices about the Software or other information through this Internet connection. By installing the Software on Licensee's computer, Licensee hereby consents to have the Software initiate a connection through the Internet to Nuance's website, to use Licensee's resources to connect to such website, and to receive notices about the Software and other information through this Internet connection.

7. Proprietary Rights

Title, ownership rights, and intellectual property rights in the Software Package shall remain in Nuance and/or its suppliers or licensors. Licensee acknowledges such ownership and intellectual property rights and will not take any action to jeopardize, limit, or interfere in any manner with Nuance's or its suppliers' or licensors' ownership of or rights with respect to the Software Package. The Software Package is protected by copyright and other intellectual property laws and by international treaties.

8. Disclaimer of Warranty

THE SOFTWARE PACKAGE IS PROVIDED ON AN "AS IS" BASIS, WITHOUT WARRANTY OF ANY KIND, INCLUDING WITHOUT LIMITATION THE WARRANTIES THAT IT IS FREE OF DEFECTS, MERCHANTABILITY, FIT FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE IS BORNE BY LICENSEE. SHOULD THE SOFTWARE PROVE DEFECTIVE IN ANY RESPECT, LICENSEE AND NOT NUANCE OR ITS SUPPLIERS OR RESELLERS ASSUMES THE ENTIRE COST OF ANY SERVICE OR REPAIR. THIS DISCLAIMER OF WARRANTY CONSTITUTES AN ESSENTIAL PART OF THIS AGREEMENT. NO USE OF THE SOFTWARE IS AUTHORIZED HEREUNDER EXCEPT UNDER THIS DISCLAIMER. SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY MAY LAST, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

9. Limitation of Liability

IN NO EVENT WILL NUANCE BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, ECONOMIC OR CONSEQUENTIAL DAMAGES, ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE PACKAGE, INCLUDING THE SOFTWARE, DOCUMENTATION, OR MICROPHONE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO CASE SHALL NUANCE'S LIABILITY EXCEED THE AMOUNT PAID BY LICENSEE FOR THE SOFTWARE PACKAGE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO IN THOSE STATES, THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. AS A CONDITION OF YOUR USE OF THE SOFTWARE PACKAGE, YOU AGREE TO INDEMNIFY NUANCE FOR ALL CLAIMS RELATING TO YOUR USE, REPRODUCTION AND/OR RECEIPT OF CONTENT THROUGH USE OF THE SOFTWARE PACKAGE. LICENSEE UNDERSTANDS THAT SPEECH RECOGNITION IS A

STATISTICAL PROCESS AND THAT RECOGNITION ERRORS ARE INHERENT IN THE PROCESS. LICENSEE ACKNOWLEDGES THAT IT IS LICENSEE'S RESPONSIBILITY TO CORRECT RECOGNITION ERRORS BEFORE USING THE RESULTS OF THE RECOGNITION.

10. Assignment

Licensee shall not sublicense, rent, lease or lend the Software to another party.

11. Remedies

If Licensee breaches this Agreement, Licensee shall promptly return the Software Package to Nuance. A breach by Licensee will irrevocably harm Nuance, and Nuance shall be entitled to injunctive and/or other equitable relief, in addition to any other remedies afforded by law.

12. Governing Law

This Agreement shall be governed by the laws of the Commonwealth of Massachusetts.

13. Severability

Should any term of this Agreement be declared void or unenforceable by any court of competent jurisdiction, such declaration shall have no effect on the remaining terms hereof.

14. No Waiver

The failure of either party to enforce any rights granted hereunder or to take action against the other party in the event of any breach hereunder shall not be deemed a waiver by that party as to subsequent enforcement of rights or subsequent actions in the event of future breaches.

15. RealSpeak™ software

Some versions of the Software incorporate Nuance's RealSpeak™ software and/or certain other components owned by Nuance or its affiliates. Licensee is permitted to use such components only as part of, and as incorporated in, the Software.

16. United States Government End Users

This Section applies to all acquisitions of the Software by or for the Federal government or by any prime contractor or subcontractor (at any tier) under any contract, grant, cooperative agreement, or other activity with the Federal government. By accepting delivery of the Software, the government hereby agrees that this software qualifies as "commercial" computer software within the meaning of the acquisition regulation(s) applicable to the procurement. The terms and conditions of this Agreement shall pertain to the government's use and disclosure of the Software and shall supersede any conflicting contractual terms or conditions. If this Agreement fails to meet the government's needs or is inconsistent in any respect with Federal law, the government agrees to return the Software, unused, to Nuance. The following additional statement applies only to acquisitions governed by DFARS Subpart 227.4 (October 1988): "Restricted Rights-Use, duplication, and disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 (Oct. 1988)." In the event any of the above referenced agency regulations is amended or replaced, the equivalent successor regulation shall apply instead.
